

Mfantseman Kuw of California

STATEMENT FROM THE EXECUTIVES

Executive Office Elections

Reference to the Constitution of Mfantseman Kuw of California, Executive Officers are elected to serve one term of two years, and eligible for a second consecutive term of office for another two years by election.

Due to the limited number of active members of our association, election of officers has not been possible, resulting in the very first elected officers continuing to serve in their original positions. Some of the positions have also been vacant for a long time.

To restore vitality and honor to our beloved Mfantseman Kuw, the general membership have decided to invite enthusiastic and active members to voluntarily declare their willingness to be of service to the association. A member may declare to take up a specific position, or declare to be available for a vacant position to be offered. We hope that going this route may save Mfantseman Kuw of California.

All current officers promise to be of help by training, advising, and supporting in all ways to incoming officers. By their declaration, the list of nominees will have to be endorsed by the general membership to legitimize their positions.

Please open your hearts to this proposal and offer your services for the survival of Mfantseman Kuw of California; your fellow members will greatly appreciate your leadership and your dedication. It will be a valuable experience for you as well.

Wonsom-Wonsom, Wonye Nyimpa!
